09:00 - 11:00	Session 1: Eyelid Oncology Chair: Ms Anne Cook
09:00 - 11:00	Recognition, histopathology and practical management of eyelid tumours Ms Zanna Currie, Ms Jennifer Tan, Dr Hardeep Singh Mudhar
11:00 - 11:30	Coffee Break and poster display
11:30 - 13:00	Session 2: Orbital Oncology Chair: Mrs Anjana Haridas
11:30 - 12:00	Imaging techniques Dr Andrew Martin
12:00 - 13:00	Key note lecture: Orbital Tumours Prof Geoffrey Rose
13:00 - 14:00	Lunch Break and poster display

UKOO 2019

Day 1 - Monday 18th November 2019

Afternoon session

14.00 - 15.30	Session 3: Paediatric Oncology Chair: Ms Lucy Clarke
14:00 - 14:30	Rhabdomyosarcoma and rare orbital tumours Ms Katya Tambe
14:30 - 15:10	Retinoblastoma: Genetics and diagnosis, treatment options, lifelong problems Mr Manoj Parulekar
15:10 - 15:30	Orbital and paediatric oncology histopathology Dr Hardeep Singh Mudhar
15:30 - 16:00	Coffee Break and poster display
16.00 - 17.00	Session 4: Trainee presentations Chairs: Ms Judith West, Ms Dimitra Portaliou
16.00 - 16.08	Eyelid skin trichilemmoma and underlying local malignancy: is an aggressive treatment necessary? Dr Christine Anggun Putri
16.08 - 16.16	Is staged excision and reconstruction really necessary for suspicious eyelid lesions? Dr Haoyu Wang
16.16 - 16.24	Transitional cell carcinoma of the lacrimal sac: A single case report of a rare clinical entity Dr Luke Sansom
16.24 - 16.32	Miss See Wah Tung An orbital case of undifferentiated pleomorphic sarcoma
16.32 - 16.40	Sino-nasal inverted papilloma invading orbit and intracranial cavity Dr Haider Zaki
16.40 - 16.48	Orbital exenteration: Specialist ophthalmic hospital 20-year experience Dr Richard Parker
16.48 - 16.56	Case series of Rhabdomyosarcoma Dr Omar Abu Al Ghanam
17:00	Close
18.00 - 20.00	Drinks reception at Winter Gardens
20.00 - 23.30	Gala Dinner including after dinner speech by Professor Ian Rennie DJ & Dance

UKOO 2019

Day 2 - Tuesday 19th November 2019

Morning session

08:00 - 08:45	Registration and Coffee
09:00 - 11:00	Session 1: Intraocular Oncology Part 1 Chair: Mr Sachin Salvi
09:00 - 09:30	Naevus, IML and uveal melanoma: discharge, observe or refer Prof Mandeep Sagoo
09:30 - 10:00	How are uveal melanoma treated in an oncology centre Mr Paul Rundle
10:00 - 10:40	Non-melanoma intraocular tumours and management Prof Ian Rennie
10:40 - 11:00	Clinico-pathological co-relation of intraocular tumours Dr Hardeep Singh Mudhar
11:00 - 11:30	Coffee Break and poster display
11:30 - 13:00	Session 2: Intraocular Oncology Part 2 Chair: Mr Gordon Hay
11:30 - 11:50	Screening, surveillance and follow up of uveal melanoma Miss Victoria Cohen

12:10 - 13:00	The Ian Rennie Eponymous Lecture
12:10 - 12:15	Lifetime achievement award to Prof Ian Rennie
12:15 - 13:00	Mortality of Uveal Melanoma Prof Arun Singh
13:00 - 14:00	Lunch Break and poster display

UKOO 2019

Day 2 - Tuesday 19th November 2019

Afternoon session

14.00 - 15.30	Session 3: Ocular Surface tumours Chair: Dr Vikas Chadha
14:00 - 14:20	Eyelid melanoma Mr John Bladen
14:20 - 14.45	Conjunctival Melanoma Dr Paul Cauchi
14.45 - 15.10	Non pigmented conjunctival tumours Prof Heinrich Heinmann
15.10 - 15.30	Histopathology Dr Hardeep Singh Mudhar
15:30 - 16:00	Coffee Break and poster display
16.00 - 17.00	Session 4: Trainee presentations Chairs: Ms Katharine Sears, Mr Bashir Bata
16.00 - 16.08	Outcomes following notched Ruthenium -106 plaque brachtherapy for juxtapapillary choroidal melanomas Dr Manvi Manu Sobti
16.08 - 16.16	Novel use of Essen biopsy forceps for anterior chamber tumour biopsies Dr Emma Carroll
16.16 - 16.24	A tale of the great imitator Dr Elewys Hearne
16.24 - 16.32	Neuroendocrine tumour metastasis to the inferior rectus muscle: a case report Dr Aaron Donnelly
16.32 - 16.40	A unique case of uveal melanoma developing in bilateral diffuse uveal melanocytic proliferation Dr Abigail Hopkins
16.40 - 16.48	Malignant conjunctival melanoma: a patient's journey Dr Nigel Griffith
16.48 - 16.56	Role of immunotherapy in treatment of extensive conjunctival melanoma as a globe preserving treatment Dr Ruth Jones
17:00 - 17.30	Key note lecture: Breaking bad news and the art of remaining positive Prof Ian Rennie
17.30 - 17.45	Award ceremony and Close

UKOO 2019

E-poster programme

Authors will be available near the podium to answer questions at the following times:

Monday 18th November			
1	Indications, complications and outcomes of orbital exenteration surgery	Dr Abigail Hopkins	11.00 - 11.10
2	The use of Imiquimod in the Treatment of Eyelid Cancer: A Literature Review	Dr Charles O'Donovan	11.10 - 11.20
3	Alternatives to Radical Surgery in Adenoid Cystic Carcinoma: A Literature Review	Dr Charles O'Donovan	13.20 - 13.30
4	Retinal detachment with shallow angles?	Dr Christelle Tendo	13.30 - 13.40
5	Morphologic characteristics, ultrasound backscatter and prognosis of uveal melanoma in Wiltshire	Dr Shahina Ahmed	13.40 - 13.50
6	Posterior lens capsule metastasis from cutaneous malignant melanoma in a seeing pseudophakic eye	Dr Hibba Quhill	13.50 - 14.00
7	A case of necrotic uveal malignant melanoma masquerading as rubeotic glaucoma	Dr Maria Vrahimi	15.30 - 15.40
8	Vertical lid split to aid access to excision and reconstruction of conjunctival tumours involving the fornices	Dr Nicholas Hickley	15.40 - 15.50
Tuesday 19th November			
9	Seek and you will find: Is it really a primary intraocular tumour?	Dr Christine Anggun Putri	11.00 - 11.10
10	A choroidal osteoma confused for central serous chorioretinopathy	Dr Liam Bourke	11.10 - 11.20
11	A case of conjunctival squamous cell carcinoma and IgG4-related disease dual pathology	Dr Nigel Griffith	13.20 - 13.30
12	An unusual presentation of a metastatic iris lesion	Dr Emma Carroll	13.30 - 13.40
13	Five-year evaluation of failsafe processes protecting uveal melanoma patients in a teaching hospital	Dr Emma Spowart	13.40 - 13.50
14	Case report of a conjunctival melanoma successfully treated using Ruthenium-106 plaque brachytherapy as adjuvant treatment	Dr Claire Tomkinson	13.50 - 14.00
15	Sentinel vessel as presentation of ciliary body melanoma	Dr Ved Ramsewak	15.30 - 15.40
16	Playing Sherlock Holmes in Eye Clinic	Dr Chin Yap	15.40 - 16.50
